## ABOUT

Pamoja Verdant Farm Villa is your perfect first or last night in Tanzania — a tranquil retreat in Arusha's Maweni neighborhood, just 30 minutes from Kilimanjaro International Airport and 20 minutes from Arusha Airport. After a long flight or before an early morning departure, this is the kind of place that immediately puts you at ease.

Our 14 rooms are clean, comfortable, and thoughtfully designed with air conditioning, premium linens, and modern en-suite bathrooms. The on-site restaurant serves a blend of local Tanzanian dishes and international cuisine, making it easy to refuel without venturing out. Lush garden grounds offer peaceful outdoor seating areas where you can unwind with a book or simply enjoy the highland air.

More than just a transit stop, the Villa sits near the Arusha Bypass roundabout with easy access to Arusha National Park — home to Mount Meru's dramatic scenery, colobus monkeys, and stunning crater lakes.
